Wonjae Choi

4700 176th St SW #A119 | (+1) 010-4879-9120 | comingtoyouliv2@gmail.com

Education

SEATTLE CENTRAL COLLEGE (A.S) | JAN 2020 – DEC 2021
· Major: Computer Science
· Related coursework: Java I, Java II

EDMONDS COLLEGE | JUNE 2019 – DEC 2019
· Major: Computer Science

Professional Experience

BIG DATA DEVELOPER | GAION | MAY 2020 – JUNE 2020
· Recommended data plans to clients depending on their needs and functions by using big data from couples through K-means algorithm

DEVELOPER | EMOTY.AI | OCT 2020 – NOV 2020
· Constructed face expression recognition (FER) code by using Convolutional Neural Network (CNN) in collaboration with others at the firm, Data Extraction

Leadership & Extracurriculars

VICE PRESIDENT | KOREAN CLUB EDMONDS COLLEGE | OCT 2019 – DEC 2019
· Planned and led the club, serving as the Vice President of "Little Korea" on Edmonds College campus
· Taught other students Korea

GENERAL MEMBER | KSEA | OCT 2019 – PRESENT
· Engaged with the Korean-American Scientists and Engineers Association (KSEA), which operates in 43 chapters across the US, to participate in STEM conferences and broaden my horizon beyond the Computer Science field
· Prepared a short presentation on mixing AI technology with biology in the 1st West Regional Conference as "Young Generation scientists"

GENERAL MEMBER | IBM C:LOUDERS | JULY 2019 – SEPT 2020
· Participated in the first generation IBM C:Louders to learn Cloud System and Data Science through experience

TEAM LEADER | CLOUD LECTURE TRANSLATION | JULY – SEPT 2020
· Translated two lectures on Cloud Systems from English to Korea in collaboration with team members

PARTICIPANT | QISKIT, QUANTUM COMPUTING HACKATHON | OCT 5 – OCT 9 2020

· Build codes for variational preparation for the Dicke States

TEAM LEADER | HTML STUDY | AUG 2021 – PRESENT

· Gather Team member and learn HTML by using 'CS 50's Web Programming with Python and JavaScript', which is offered by HarvardX
· Preparing Portfolio with using AWS lightsail web host

Award and Acknowledgements

AWARD OF SERVICE | DONGYANG HIGH SCHOOL | 2017, 2018

· Recognized for engaging with the local community through service by vising senior citizens who live alone to take care of their health
· Serve as a conversation partner for elderly that live alone

Licenses & Certification

· MCB80.1x : Fundamentals of Neuroscience, Part I : The Electrical Properties of the Neuron
· Cloud Core with IBM (June 2020)
· Build Cloud-Native and Multi Cloud Applications with IBM (Aug 2020)
· Python 101 for Data Science (Sept 2020)
· Data & AI Essentials (Sept 2020)
· Deep Learning using Tensorflow (Oct 2020)

Other

· Languages: Korean (native), English (fluent)
· Philanthropy: Seattle Central College, University of Washington, UNICEF
